ANIMAL, PLANT AND MARINE BIOLOGY, ECOLOGY, ENTOMOLOGY, HERPOTOLOGY

RESEARCH/INTERNSHIP OPPORTUNITIES FOR SUMMER 2013

Ecology, Environmental Biology, Plant Biology, Entomology

Alabama A& M University Center for Forest Ecosystems Assessment (Normal, AL) http://www.2.aamu.edu/saes	Contact the Director: Dr. Yong Wang at yong.yang@aamuc.edu for more details on research internships
American Horticultural Society (Alexandria, VA) http://www.ahs.org	On their website, go to "River Farm", then "Internships and Employment"
American Museum of Natural History (New York, NY) http://www.amnh.org	On their website, click on "Our Research" tab see then for example, "Center for Biodiversity" also see "Careers" then scroll to "Internships"
American Society of Plant Biologists (ASPB) http://www.aspb.org	Search their website under "Careers"; then "View Openings"
Arkansas State University (Jonesboro, AR) http://www.astate.edu	On their website, type in "RISE SUMMER" in search box
Aspen Center for Environmental Studies (Aspen, CO) http://www.aspennature.org	On their website, see "ACES Summer Naturalist Internship"
Audobon Center of the North Woods (Sandstone, MN) http://www.audobon-center.org	Review their website of more details
Aullwood Audobon Center and Farm (Dayton, OH) http://www.web4.audobon.org/local/sanctuary/aullwood	On their website, see "Internships"
Avila University of Natural History Of a West Indian Herpetofauna (Kansas City, MO) http://www.avila.edu/bobpowell/7powrem.htm	Review their website for details

Boston University (Boston, MA) http://www.bu.edu.urop/surf-program	See "SURF" Program for under-represented and minority students
Bradley University Department of Biology (Peoria, IL) http://www.bradley.edu	Intern preference to minority and women students
California Academy of Sciences (San Francisco, CA) http://www.calacademy.org	On their website, see "Get Involved" tab, then drop down menu "Internships"
California Institute of Technology (Pasadena, CA) http://www.caltech.edu	On their website, see "Research" then scroll to: "MURF" and "SURF" for programs details
Cary Institute of EcoSystem Studies (Milbrook, NY) http://www.caryinstitute.org	Private, not profit organization; on their website see "REU" program; take 8-12 students each Summer; stipend paid; check for 2013 application information when posted on their site
Case Western Reserve Biology Department (Cleveland, OH) http://www.case.edu/artsci/bio	On their website, got Biology Department, then "Undergraduates" then scroll to "Research Opps"
Cedar Creek Ecosystem Science Reserve University of Minnesota (Bethel, MN) http://www.cedarcreek.umn.edu	On their site, see "Internships"
Center for Environmental Research and Conservation Earth Institute, Columbia University (New York, NY) http://www.cerc.columbia.edu	Once on their website, go to "Education and Training" scroll in text for "Summer Ecosystem Experiences for undergraduates" (SEE-U); can earn up to 6 credits

Center for the Integrative Study of Animal Behavior (Bloomington, IN) http://www.indiana.edu/animal	On their website, see "REU" Program for details
Chicago Botanic Garden Conservation and Land Management Program (Glencoe, IL) http://www.chicagobotanic.org	On their website, click tab "At the Garden" then see drop down menu "Employment" then click "Internships"
Cleveland Museum of Natural History Adopt-A-Student Program (Cleveland, OH) http://www.cmnh.org	On their website,see "About Us" tab on left then drop down menu to "Careers", then see contact information for Human Resources
Cold Regions Research and Engineering Laboratory/US Army Corps of Engineers (Hanover, NH) http://www.crrel.usace.army.mil/	On their website, see "Business and Professional Opportunities" then Careers, then "Student Temporary Employment Program"
Cornell University and Boyce Thompson Institute For Plant Research, Plant Genome Research Program (Ithaca, NY) http://www. bti.cornell.edu	Click "employment"; go to drop down menu "internships" see "Plant Genome Internships" 10 week program; check site for application
Donald Danforth Plant Science Center (St Louis, MO) http://www.danforth.center.org	See "Education and Outreach" tab, then click on "Internships"; 11 week program research areas include: abiotic stress; biofortification;biofuels;bioremediation; cell biology; cellular signaling; development; disease resistance; enabling technologies; metabolic pathways/engineering; structural biology; translation plant sciences
Emory University Summer Undergraduate Experience/Center for Science Education (Atlanta, GA) http://www.cse.emory.edu	On their website, see "SURE" program for under-represented and minority students; check for 2013 application details

Fordham University
The Louis Calder Center
Biological Station Calder Summer Undergraduate Research Program
(Armonk, NY)
http://www.fordham.edu/calder-center

On their website, see "Research Opportunities for Undergraduates"; check for 2013 details

Global Change Education Program
Summer Undergraduate Research Experience
US Department of Energy
Office of Biological and Environmental Research (BER)
(various locations)
http://www.gcep.host.uair.edu

Contact directly: SCCFIinfo@science.doe.gov

Harvard University
Harvard Forest
(Petersham, MA)
http://www.harvardforestfas.harvard.edu

On their website see "Summer Research Program in Ecology"; applications accepted after Dec 1, 2012

Hawk Mountain Sanctuary
Summer Field Experience Internships in Conservation
(Kempton, PA)
http://www.hawkmountain.org

On their website, see "Conservation Interns"

Highstead Arboretum Woodland
Internships at Highstead
(Redding, CT)
http://www.highsteadarboretum.og

On their website, click "Get Involved" tab; then on drop down menu click "Internships"

Hope College Summer Hope
Academic Research Program
Biology Department
(Holland, MI)
http://www.sharp.hope.edu

See their website for 2013 details

Humboldt State University
Research Experiences for Undergraduates
(Arcata, CA)
http://www.humboldt.edu/biosci/faculty

Note: opportunity for research in Marine Ecology
Contact: Dr. Sean Craig at sfc4@humboldt.edu

Hyuck Preserve and Biological Research Station (Rennsselaerville, NY) http://www.hyuckpreserve.org	Not for profit organization; on their website search "Research Station" then scroll to "Odum Internships"; residential housing; click for 2013 application details
Illinois Environmental Protection Agency Governor's Environmental Corps Summer Internship Program (Springfield, IL) http://www.epa.state/il.uslgec	Review website for 2013 details; stipend paid
IMAGO Earth Center Environmental Education Internships (Cincinnati, OH) http://www.imagoearth.org	On their website, click "Get Involved"; then "Jobs", then "Environmental Education Intern"
Iowa State University Reiman Gardens (Ames, IA) http://www.reimangardens.iowate.edu	On their website, see "Internship Program" for 2013 details
Indiana University/Program is at University Of Puerto Rico Center for Tropical Ecosystem Studies http://www.web.ites.upr.edu	On their website, see "REU" program at El Verde check for 2013 application details
James Madison University, Bridgewater College and Eastern Mennonite University Shenandoah Valley Partnership (Harrisonburg, VA) http://www.jmu.edu/biology/reu	On their website see REU 2013
J. Craig Venter Institute Internship Program (Rockville, MD) http://www.jcvi.org	On their website, go to "Education" on left section of screen, then to drop down menu option "Internship Program"
Kansas State University Konza Prairie Biological Station (Manhattan KS) http://www.k-state.edu/biology	On their website, see "Education and Outreach" then scroll to "NSF Research Experiences for Undergraduates Program"; check for 2013 application details

Kellogg Biological Station
Michigan State University
(Hickory Corners, MI)
http://www.kbs.msu.edu

On their website, click on Education, then see Research for Undergraduates Program also Undergraduate Research Apprenticeships and also Paid Internships; check website for 2013 application information

Los Alamos National Laboratory
(Los Alamos, CA)
http://www.lanl.gov/education/undergrad/internships

See their website for 2013 details

Maryland-National Capital Park and Planning Commission Internships
(Prince Georges and Montgomery Counties, MD)
http://www.mncppc.org

On their website see "Employment"

Miami University Research Experience for Undergraduates In Ecology and Environmental Science
Department of Zoology
(Oxford, OH)
http://www.zoology.muohio.edu

On their website, go to Undergraduates scroll through pages for contacts

Michigan State University
Undergraduate Research in Plant Science Program
Department of Plant Biology
(East Lansing, MI)
http://www.plant biology.msu.edu

Contact: Diane Ebert-May, Director Undergraduate Studies 517-432-7171

Michigan Technological University
Research Experiences for Undergraduates Program
On Ecosystems in Transition
School of Forest Resources and Environmental Science
(Houghton, MI)
http://www.mtw.edu/forest

On their website, go to "Ecosystem Science Center REU Program"

Mount Desert Island Biological Lab
(Salisbury Cove, ME)
http://www.mdibl.org

On their website, click on Education, then see Undergraduate Students; see "Summer Research Fellowships"; 8-10 weeks; applications accepted late Fall; deadline late January

National Air and Space Administration (NASA)
(various locations)
http://www.science.nasa.gov/researchers/sara/student-programs

On their website, see "Undergraduates"

National Oceanic and Atmospheric Administration
(various locations across the U.S.)
http://noaa.org Or
see list of opportunities at www.internships.washcoll.edu)

List of 2013 opportunities will be posted on internships.washcoll.edu early in 2013

National Wildlife Federation Internship Program
(Reston, VA)
http://www.nwf.org

On their home page, at bottom of page click on "Jobs" then on left of screen scroll to "Internships"

North Carolina State University
Biotechnology Program and
Department of Plan Biology,
Synthetic Biology
(Durham, NC)
http://www.ncsu.edu; then review Plant Bio page

On their website, scroll down to "CALS Career Services Office" link for internships list

Northern Arizona University
Environmental Science Research Experience for Undergraduates
College of Engineering, Forestry and Natural Sciences
(Flagstaff, AZ)
http://www.mpcer.nau.edu/reu

Check their website for details of the 2013 REU program; stipend paid

Northern Arizona University
Research Experience for Undergraduates in Behavioral and Conservation Sciences
Department of Biological Sciences
(Flagstaff, AZ)
http://www.nau.edu/cefns/natsci.biology

On their website, click on "Student Resources" tab; then scroll to "Internships and Job Opportunities; check for 2013 application details

Northwestern University
and the Chicago Botanic Garden
(Chicago, IL)
http://www.plantbiology.northwestern.edu
http://www.cbgreu.org

On the Northwestern website, see application information for 2013; this is jointly operated program with Botanic Garden, so information on their site as well

Ohio State Stone Laboratory (Put-in- Bay, OH) (Lake Erie) http://www.stonelab.osu.edu	On their website, see "Research for Under-graduates" (REU); check for 2013 deadlines
Organization for Tropical Studies North American Students Research Undergraduates Program (Durham, NC) http://www.ots.ac.cr	Once on website, see "Costa Rica Summer Tropical Biology" Program as well as African Programs
Organization of Biological Field Stations http://www.obfs.org	Provides lists of international and US based field stations and internship opportunties
Pennsylvania Department of Environmental Protection Summer Internships (Harrisburg, PA) http://www.depweb.state.pa.us	On their website, click on "About Us" page, see left margin menu and click on "Employment"
Pennsylvania State University (University Park, PA) Penn State Astrobiology Research Center http://www.mdspacegrant.org	Unique program sponsored by NASA, titled NASA Astrobiology Institute Internship; internship occurs at Penn State; 8-10 weeks, check website for funding and application details
Pepperdine University Natural Science Division (Malibu, CA) http://www.pepperdine.edu/naturalsciences	Internships open to rising Sophomores, Juniors, and Seniors in Plant Biology; see "Undergraduate Research Program" (SURB)
Pittsburgh Zoo and PPG Aquarium Internship Programs (Pittsburgh, PA) http://www.pittsburghzoo.org	On website, see "Zoo Careers", then click on "Internships" tab at top of page
Plymouth State University Summer Research Experience at Hubbard Brook Experimental Forest (Thornton, NH) http://www.plymouth.edu	Check site, internship dependent on 2013 funding

Point Ryes Bird Observatory
(Petaluma, CA)
http://www.prbo.org

Rolling application process; internships located at Palomavin Field Station (Marin County, CA)

Princeton University
Summer Undergraduate Research Experience
In Molecular Biophysics
(Princeton, NJ)
http://www. Princeton.edu/reumolbiophysics

Check eligibility criteria and application details for 2013 on their website

Queens Botanical Garden Summer Internships
(Flushing, NY)
http://www.queensbotanical.org/about/employment

On their website, scroll to "Internships" check for 2013 details

Rocky Mountain Biological Laboratory
(Crested Butte, CO)
http://www. rmbl.org

On their website search on "Jobs and Internships"

Rutgers University Pinelands Field Station
Student Internships Program
(New Lisbon, NJ)
http://www.marine.rutgers.edu/pinelands/internships

On their website, click "Rutgers University Student Internships" ; may depend on 2013 funding check for details

Sam Houston State University
Research Experiences for Undergraduates in Experimental Field Biology
(Houston, TX)
http://www.shsu.edu

Review their website for 2013 details; stipend paid

San Jose State University Research by Undergraduates Using Molecular Biology Applications
Department of Biological Sciences
(San Jose, CA)
http://www.biology.sjsw.edu

See their website, search for "RUMBA" Program"; program takes 8 students or contact directly: Julio Soto PI for RUMBA at jsoto3@email.sjsu.edu

Santa Fe Institute Research Experiences for Undergraduates
(Santa Fe, NM)
http://www.santafe.edu/education/fellowships/undergraduates

Check their website for 2013 details

Savannah River Ecology Laboratory Research Experience For Undergraduates
(Aiken, SC)
http://www.srel.edu

On their website, left of screen, click on "Student Opportunities"

Smithsonian Environmental Research Center
(Edgewater, MD)
http://www.serc.si.edu

On their website, see "Internship Program " on left margin; stipend paid, no academic credit granted; lasts 12-16 weeks

Smithsonian Institution, National Museum Of Natural History Internship Programs
(Washington DC)
http://www.nmnh.si.edu/rtp/other opps/intern.intro

Review their website carefully as various programs that are offered have different eligibility criteria and application processes

Smithsonian Zoological Park
Research Internship Program
(Washington DC)
http://www.nationalzoo.si.edu

On their website at bottom of webpage, click on "Careers and Internships"

Southwestern Research Station
(Portal, AZ)
http://www. research.amnh.org/swrs

On their website see Internships/Volunteers 2 options: "Research Season" or "Naturalist Season"

STEER- Center for Environmental Health Sciences
(San Antonio, TX)
http://www. steer.uthscsa.edu

See their website for internship details

Texas A& M University
Research Experience for Undergraduates
Expanding Scientific Investigation through Entomology
Department of Entomology
(College Station, TX)
http://www.insects.tamu.edu/reu

On their website, review "REU Program"; check for 2013 details

Texas A&M University
Corpus Christi Summer Undergraduate Research Focus-Anthropogenic Impacts on the Environment
Department of Life Sciences
(Corpus Christi, TX)
http://www.sci.tamucc.edu

See "SURF" Program on their website and review details for 2013

Texas Commission on Environmental Quality
Mickey Leland Environmental Internship Program
Human Resources and Staff Development Division
(Austin, TX)
http://www.tcequ.texas.gov/adminservices/employment/mickeyleland

On their website review 2013 details or contact directly: Ms. Juanita Baldwin, PHR Internship Coordinator at 512-239-0105 or via email at Juanita.baldwin@tecq.texas.gov

The Berry Botanic Garden Summer Conservation Internships and Summer Horticulture Internships
(Portland, OR)
http://www.berrybot.org

Contact the Garden directly at: 503-636-4112 for 2013 internship details

The Field Museum of Natural History Internships
(Chicago, IL)
http://www.fieldmuseum.org/about/careers

On the "Careers" page, scroll to "Internships"

The Samuel Roberts Noble Foundation
(Ardmore, OK)
http://www.noble. org

On their website click Education and Outreach, then drop down menu Internships, then 2 choices: Undergraduate Noble Scholars in Agriculture or Noble Summer Research Scholars Program; Applications start September 2, 2012 for Summer 2013

The Student Conservation Association
(Charleston, NH)
http://www.thesca.org

Website provides lists of conservation oriented internships

Towson University Research Experience for Undergraduates In Molecular Ecology
Department of Biology
(Towson, MD)
http://www.towson.edu

On their website, search for "REU Program" available within The Jessie and Mildred Fischer College of Science and Mathematics

Tufts University
Research Experience for Undergraduates Program
Department of Biology
(Medford, MA)
http://www. tufs.edu/biology/undergraduate/research/carpenter

On their website, see "The Russell L. Carpenter Science Internship" program; 1 slot; see details for 2013

United States Army Environmental Center
Student Internship Program
(Aberdeen Proving Grounds, MD)
http://www.aec.army/mil/usaec/training/development

On their website, see "Environmental Staff Professional Development Civilian Career Programs"

University of Alaska
Anchorage Research Experiences for Undergraduates
Department of Biological Sciences
(Anchorage, AL)
http://www.alaska.edu/biology

On Department of Biology webpage on left margin, see "Research Experience for Undergraduates" tab

University of Arizona Research Experiences for Undergraduates
in Molecular Biosciences
Life Sciences
(Tuscon, AZ)
http://www.ubrp.arizona.edu

On their website see "Pathways to Science"

University of California Merced Yosemite Research Training in Environmental Science
School of Natural Sciences
(Merced, CA)
http://www.campillos.ucmerced.edu

Contact directly: Dr. Benoit Dayat, Director of Yosemite REU program at bdayat@ucmerced.ed or via phone at 1-209-228-4059 for 2013 details

University of California Riverside
Center for Plant Cell Biology Research Experiences for Undergraduates Program
Center for Plant Cell Biology
(Riverside, CA)
http://www.cepceb.ucr.edu/reu

On their website, search for "NSF CEPCEB REU" program in Plant and Plant Pathogen Cell Biology"

University of Central Oklahoma Research Experiences For Undergraduates in Behavior and Ecology of Honey Bees
Department of Biology
(Edmond, OK)
http://www.uco.edu/CMS/reu

Check their website to see if 2013 funding is available

University of Colorado, Boulder Research Experiences for Undergraduates in Behavior, Ecology and Evolution
Biology Department
(Boulder, CO)
http://www.colorado.edu/eeb/EEBprojects

Check their website for 2013 details; program occurs at Colorado Mountain Research Station

University of Delaware
College of Earth, Ocean and Environment
(Newark, DE)
http://www.ceoe.udel.edu/academics/undergraduates/internships

Check their website for 2013 funding and application details

University of Georgia
Summer Undergraduate Fellowships in Genetics
Department of Genetics
(Athens, GA)
http://www.genetics.uga.edu

On their website, see "undergraduates"; then "Summer Undergraduate Fellowships"

University of Georgia
Fungal Genomics and Computational Biology
(Athens, GA)
http://www.genetics.uga.edu

Check their website for 2013 details

University of Hawaii at Manoa
Department of Biology
(Manoa, HI)
http://www.manoa.hawaii.edu

Check their website for 2013 details

University of Louisville Undergraduate Summer Research Opportunity Program
Graduate School
(Louisville, KY)
http://www.louisville.edu/research

On the website search "SRUP Program"; or National Institutes of Health (NIH) funded KBRIN Program as well as other opportunities on the undergraduate research page

University of Massachusetts Amherst
Summer Program for Undergraduate Research
Northeast Alliance SPUR
(Amherst, MA)
http://www.naegep.org

On their website review details for 2013

University of Massachusetts Boston Research Experiences for Undergraduate Research in Integrative And Evolutionary Biology
(Boston, MA)
http://www.umb.edu/academics/csm/biology

On the website review details for 2013

University of Michigan Biological Station Research Experiences for Undergraduates
Natural Sciences
(Ann Arbor, MI)
http://www.lsa.umich.edu/umbs

On their website, review UMBS Research Gateway Program

University of Minnesota
ISG-IGERT Program
(St Paul, MN)
http://www.isg-igert.umn.edu

Check for 2013 details on their website under "Traineeship Apprentice"

University of Minnesota
Global Change REU Program
College of Biological Sciences
Institute for Broadening Participation
(St Paul, MN)
http://www.pathwaytoscience.org (see listing for U Minn)

On their website, see "Pathways to Science"

University of Missouri
Columbia Miller Summer Research Internships
In Animal Sciences
Life Science Undergraduate Research Opportunity Program
(Columbia, MO)
http://www.undergradresearch/missouri.edu

On their website, under "Undergraduate Research" see "Current Research Jobs"

University of Missouri-Columbia Plant Genomics Internships
Life Sciences Undergraduate Research
Department of Biological Sciences, Cone Laboratory
(Columbia, MO)
http://www.biosci.missouri.edu/cone/opportunities.html

On their website review "LSUROP" Program for 2013 details

University of New Mexico
Sevilleta LTER Research Experiences for Undergraduates
(Socorro, NM)
http://www.sev.iternet.edu

On their website, go to Sevilleta REU Program for more information

University of Notre Dame Global Linkages of Biology, the Environment, And Society (GLOBES) (NSF-IGERT GLOBES Program Directory) Department of Biological Sciences (Notre Dame, IL) http://globes.nd.edu	Contact directly: Jeffrey Felder, UND IGERT-PI (Globes) at jfelder@nd.edu or by phone 574-631-4159
University of Oregon Summer Program for Undergraduate Research Department of Biology (Eugene, OR) http://www.biology.oregon.edu	See undergraduate program at top of page then drop down menu "Internships, Research and Summer Programs"
University of Pittsburgh's TEC Program Computational Biology (Pittsburgh, PA) http://www.ccbb.pitt.edu	On their website, under "Education" at top of page, drop down menu click on TECBIO REU
University of Puerto Rico, Institute for Tropical Ecosystems Studies REU Summer Internship on Tropical Ecology and Evolution (San Juan, PR) http://www.ites.upr.edu	On their website, under "Opportunities" see "Internships and Fellowships"
University of South Carolina Undergraduate Research in Integrative Evolutionary Biology Department of Biological Sciences (Columbia, SC) http://www.biol.sc.edu	On their website, see "Undergraduate Program" and drop down menu "Undergraduate Research"
University of Texas at Austin, Environmental Science Institute Research Experience for Undergraduates in Integrated Environmental Sciences (Austin, TX) http://www.esi.utexas.edu	On their website, under Students top of screen drop down menu "Student Opportunities"

University of Toledo, Lake Erie Research and Education Center Check their website for 2013 details
Research Experience for Undergraduates Program
NSF-REU Program, Lake Erie Center
(Oregon, OH)
http://www.utoledo.edu

University of Virginia
Blandy Experimental Farm
Research Experiences for Undergraduates
(Boyce, VA)
http://www.evsc.virginia.edu

Go to Department of Environmental Sciences page, scroll down to "Summer Research Scholarships"; use hyperlink in text to Blandy Experimental Farm; 2013 application is on page

University of Virginia
Mountain Lake Biological Station
(Charlottesville, VA)
http://www.mlbs.org/reuprogram
http://www.mlbs.virginia.edu

The mlbs.org/reuprogram provides 2013 application information

University of Virginia
Virginia Coast Reserve Long Term Ecological Research (LTER)
(Charlottesville, VA)
http://www.evsc.virginia.edu
http://www.vcriter.virginia.edu

Go to Department of Environmental Sciences page, scroll down to "Summer Research Scholarships"; use hyperlink in text to LTER Program or for general information go to Virginia Coast Reserve webpage directly

University of Wisconsin- Madison
Integrated Biological Sciences Summer Research Program
Genetics/Biotech Center
(Madison, WI)
http://www.biology.wisc.edu

On their webpage on left of screen see "IBS-SRP" program and application, FAQ's, etc.; check for 2013 details

Virginia Tech Undergraduate Summer Research Internship
Multicultural Academic Opportunities Program
(Blacksburg, VA)
http://www. maop.vt.edu

On their website, go to "Undergraduate Summer Research Internship"; 2013 application and program details are posted

West Texas A& M University Research Experiences for Undergraduates
Department of Life, Earth Sciences and Environmental Sciences
(Canyon, TX)
http://www.wtamu.edu

On their website, see "REU" Program on right portion of the screen, but unclear whether 2013 funding is available

Western Michigan University Research Experiences For Undergraduates Department of Biological Sciences (Kalamazoo, MI) http://www.umich.edu/biology	On Biological Sciences Department webpage see list of potential internships
Western Pennsylvania Conservancy Internship Program(various locations in PA) http://www.paconserve.org	On their webpage, see "Employment" and Human Resources contact information
White Mountain Research Station Research Experience for Undergraduates Operated by U of CA San Diego (Bishop, CA) http://www.mrs.edu	On their website, see left part of screen "Student Opportunities" for example: "Botanical Grant" is available to undergraduates

International Opportunities: Ecology, Ecosystems, Plant Sciences

ACEER Foundation Preserving the Amazon http://wwwcupa.edu/aceer	On their website, bottom of screen, click on "Experience the Amazon" learn more/field and research opportunities
Operation Wallacea Biodiversity (sites worldwide) http://www.opwall.com	On their website, see "Undergraduate Research Assistants"
Organization for Tropical Studies (Costa Rica and South Africa) http://www.ots.ac.cr	On their website, under Education, see Undergraduate Program, then drop down menu for various program opportunities
The Tahoe-Baikal Institute Summer Environmental Exchange (Lake Tahoe,NV) http://www.tahoebaikal.org	On their website top of screen see Programs and then rollover to Summer Education Program; 2013 application information is posted/deadline 2/11/2013

University College and National Museum of Ireland
Natural History Division: Collections based biology
(Dublin, IR)
http://www.museum.ie/en

Check their website, click on "Explore and Learn"

Virginia Tech- University of Cape Coast
Research Experiences for Undergraduates at the University
Of Cape Coast, Ghana
http://www.undergraduate.vt.edu/ghana REU

On Virginia Tech site,see VT-UCC REU Program"

Marine and Freshwater Biology

Blakely Island Field Station
Seattle Pacific University
http://www.spu.edu

On their website, click on "Students" on left of screen for summer information; check for 2013 details

Boston University
Biology Department
(Boston, MA)
http://www.bu.edu/biology

On the Biology Department website, on right side, click on Marine Biology and review opportunities hyperlinked within the text

Boston University/Marine Biological Laboratory
(Woods Hole, MA)
http://www.bu.edu/bump

On their site, see BU Marine Program (BUMP) and connections to Stellwagen Marine Sanctuary in Bermuda

Center for Great Lakes Studies
University of Wisconsin-Milwaukee
School of Fresh Water Sciences
http://www.glwi.uwm.edu

On their website, see Education at top of screen then drop down menu for "REU in Aquatic Science

Darling Marine Center, University of Maine
(Walpole, ME)
http://www.dmc.marine.edu

On their website click "Summer Internships" check back for application deadlines

Dauphin Island Sea Lab Marine Ecology
(Dauphin Island, AL)
http://www.dsl.org

On their website, see on left of screen " Summer College Programs", then drop down menu to REU for undergraduates

Duke University Marine Laboratory (Beaufort, NC) http://www.nickols.duke.edu/marinelab	On their website, see " Undergraduates"; then scroll down to "Student Programs" and see: "Bookhout Research Scholarships"; "REU" Program in Estuarine and Coastal Marine Sciences"
Georgia Institute of Technology School of Biology Aquatic Chemical Ecology (Atlanta, GA)	On the School of Biology website, see opportunites including research in 3 areas: biology and geo-chemistry; sensory biology and ecology of Communication or ecology
http://www.biology.gatech.edu/undergraduates program/reu	
Grice Marine Laboratory College of Charleston (Charleston, SC) http://www.grice.cofc.edu	On their website: see Research Experiences for Undergraduate Program (REU) Summer Research in Marine Organism Health"; up to 10 fellowships check site for application deadlines for 2013
Harbor Branch Oceanographic Institution School of Biology Aquatic Chemical Ecology (Fort Pierce, FL) http://www.fau.edu/hboi	Contact directly: email educationhboi.fau.edu or phone: 772-242-2506
Marine Biological Laboratory (Woods Hole, MA) http://mbl.edu	On their website, see Education, then drop down menu to "Guide to Research and Education
Marine Science Center Northeastern University http://www.marinescience.neu.edu	On their website, under "Academics", see "Three Seas Program" and other opportunities
Marine Biomedicine Sciences Center And Environmental Sciences Center Medical University of South Carolina http://www.academicdepartments.musc.edu.mbes	On their website, see left side of screen " Under-graduates" then "Oceans and Human Health Summer Program" and other opportunities
Marineland Dolphin Conservation Center http:www. marineland.net	On their website under "Support Us" at top then drop down menu click on "Internships"

Marquette University
Summer Research Program in Biology
Department of Biological Sciences/ Water Life
Sciences Building
(Milwaukee, WI)
http://www. Marquette.edu (explore/major-biological sciences)

Their website provides list of internships

Monterey Bay Aquarium
Research Institute MBARI Summer
Internship Program
(Moss Landing, CA)
http://www.nba.org

On their website, see "Save the Oceans" then "Research and Conservation" page

Mote Marine Laboratory College Internships
(Sarasota, FL)
http://www.mote.org

On their website, top of page, click on "Volunteer Opportunities" then scroll to "College Internship Opportunities"

Sea Camp
(Big Pine Key, FL)
http://www.seacamp.org

On their website, see "Staff" or contact via phone 305-872-2331

Shannon Point Marine Center
Western Washington University
Research Experiences for Undergraduates
(Anacortes, WA)
http://www.wwu.edu/spmc

On their website,under "Resources" on left side of screen, click on "Studnets" and review details for "National Undergraduate Programs and "REU" program

Shoals Marine Laboratory/Cornell University
http://www.sml.cornell.edu

On their website, see Internships at Shoals Marine Lab; application dates start Oct 2012 for Summer 2013; take 2 interns; stipend paid

University of California Davis Research
Experience for Undergraduates in Marine
Science, Bodega Marine Laboratory
(Bodega Bay, CA)
http://www.bml.ucdavis.edu

On their website, see "REU" program

The Whitney Laboratory for Marine
Bioscience Research Experience for Undergraduates
(St Augustine, FL)
http://www.whitney.ufl.edu

On their website, left portion of screen see "Education", then "Undergraduate REU"
