Section I. Introduction

Overview

Washington College is committed to supporting part-time, on-campus employment to benefit both the departments and programs of the College and the students they employ. Student employment is a significant way that students can enhance their academic experience by applying practical learning on the job in a supportive and challenging setting. As mentors and learners, supervisors and students can build the foundation for professional career development.

The Student Employment Program at Washington College is administered by both Human Resources and the Office of Student Aid. Staff in the Human Resources Office assists students working in positions under general campus employment with administrative matters like payroll paperwork while the Office of Student Aid administers the Federal Work-Study Program.

Payroll Department:

Tracey Yiannakis, Administrative Assistant

Office of Student Aid Personnel:

Requirements and Eligibility

In order to be a student employee, paid by Washington College, a student must be eligible to work in the United States and have been issued a Social Security number. All students are required to complete Form I-9 and provide the necessary identification to verify their eligibility to work in the U.S. Students who have not yet reached the age of 18 are also required to have a work permit. International students will need to present an I-20 document and visa for the purpose of verification.

Federal Work Study Program

The Federal Work-Study Program offers eligible students work opportunities both on and off-campus. Eligible students receive offers of part time employment at Washington College as part of their financial aid award package upon completion of the need-based financial aid award process. Federal Work-Study students must be given first consideration for jobs on campus in order to assist in fulfilling their financial need. Students wishing to participate must:

1. Complete the need-based application process and receive notice from the Office of Student Aid that they qualify for campus employment through the Federal Work-Study program.
2. Formally accept their offer of employment as a Federal Work-Study student on Web Advisor. By accepting a Federal Work-Study award the student is also acknowledging that they have read and understand this handbook and agree to abide by the regulations and guidelines of the program. Essentially, the student fulfills the requirement of a contractual agreement by accepting the award.
3. Contact potential supervisors to set up an appropriate time and place for an interview.
4. Federal Work-Study students complete and submit blue Federal Work-Study timesheets to the payroll office. Timesheets are available for download at <http://hr.washcoll.edu/studentemployment.php>.
5. Federal Work-Study supervisors must provide a job description for each position to the Office of Student Aid for review and recordkeeping.

Any questions specific to the Federal Work-Study program should be forwarded to the Office of Student Aid at (410) 778-7214.

General Campus Employment

There are general on-campus employment opportunities for students who do not qualify for a Federal Work-Study assignment. All students are welcome to seek employment with Washington College. Students who work as non-Federal Work-Study employees are asked to report hours worked on a Regular Student Employee Timesheet printed on white paper. These are available for download @ <http://hr.washcoll.edu/studentemployment.php>.

Section II. Hiring Process

Seeking Campus Employment

Students who qualify for Federal Work-Study should refer to the information provided in Section I.

Students who do not qualify for employment through the Federal Work-Study program, but who are interested in on-campus employment should contact the Career Center located in Caroline Hall. Almost all of Washington College's departments and programs hire in the early Fall for the academic year. Additional job openings occur after winter break for the second semester. Short-term employment opportunities are also available for special events such as the Office of College Advancement's Phonathon.

The following areas employ a significant number of students each year:

Admissions	Intramural Sports	Student Affairs
Athletics	Lifetime Fitness Center	Swim Center
Dining Services	Information Technology	Barnes & Noble Bookstore
Catering	Miller Library	

Interviewing and Selection

College personnel who are responsible for hiring student employees conduct interviews with applicants. The interviewer will consider the applicant's skills, experience and qualifications as a part of the selection process. The current needs of the department or program will also be taken into consideration during the screening process.

Hiring a Student Employee

There are three important steps to remember:

1. Budget – There must be funds in the department or program's budget to pay a general student employee's salary. All hours worked are charged to a specific general ledger account number. Please be sure that funds are available before authorizing students to work.
2. Required Paperwork - The student must complete the mandatory pay pack in order to be eligible to work on campus. Please make sure that the student has completed all required paperwork that is included in the pay pack. The pay pack only has to be done once. If the student has worked previously for Washington College and has been paid the paperwork does not need to be repeated for subsequent jobs.
3. Student Employment Authorization Form (SEA'S) – Before a student may begin work, an SEA must be completed and all required paperwork must be processed with Human Resources.

Required Documents for Employment Eligibility

In order to work for the College and be paid by the College, all student employees are required to visit Human Resources and complete the pay pack. The pay packs can be downloaded @ <http://hr.washcoll.edu/studentemployment.php>. The following forms must be completed:

- I-9 Employment Eligibility Form with acceptable identification*
- Maryland Minor Work Permit (employees under 18 years of age)
- 1-20 and Visa (for International Students)
- State and Federal Withholding Form
- Direct Deposit Form
- Student Agreements Upon Hire

Restrictions on Employment Activity

Students are not permitted to work during their scheduled class periods. Supervisors should request and maintain on file copies of student employee's class schedules each semester.

Rate of Pay

The minimum rate of pay for all student employees as of July 2010 is \$7.25 per hour. Certain positions may have a higher rate of pay. Some positions are paid with a salary or stipend. For hourly positions, a student employee will be paid at the \$7.25 per hour rate unless a variance has been approved in advance.

Pay Variances

Supervisors are required to submit all requests for pay variances to the Director of Human Resources at the beginning of each academic year. All requests for a rate of pay higher than the established minimum of \$7.25 per hour need to be approved in advance by the Director of Human Resources. Requests should include special certifications or skill sets required to perform advanced duties or assignments accompanied by a written explanation.

Payroll

Before a student starts working a student pay pack must be completed.

The pay pack is located @ <http://hr.washcoll.edu/studentemployment.php> and it includes:

- Form I-9
- State and Federal Withholding Forms
- Direct Deposit
- Student Agreements Upon Hire

Taxes

During the academic school year all student employees are exempt from FICA/MEDI tax withholdings. During the non-academic year (summer) the student employee's pay will be subject to state and federal tax unless their tax forms are completed as exempt. Students should consult with their parents, their guardian, or a tax advisor.

Direct Deposit

Student employees are paid bi-weekly. See pay schedule @ <http://hr.washcoll.edu/studentemployment.php>.

Student employees must complete a Direct Deposit form in order to have their paycheck automatically deposited into an account of their choice. Time sheets must be submitted to payroll according to the Student Payroll Schedule located @ <http://hr.washcoll.edu/studentemployment.php> in a timely manner in order to be paid.
