ANIMAL, PLANT AND MARINE BIOLOGY, ECOLOGY, ENTOMOLOGY, HERPOTOLOGY

RESEARCH/INTERNSHIP OPPORTUNITIES FOR SUMMER 2014

Ecology, Environmental Biology, Plant Biology, Entomology

Alabama A& M University Contact the Director: Dr. Ken Ward at

Center for Forest Ecosystems Assessment Kenneth.ward@aamu.edu for more details on

(Normal, AL) research internships http://www.aamu.edu/academics/alns/bes/fewp/pages/coe.aspx

American Horticultural Society Choose Communications, Horticultural, or Membership

(Alexandria, VA) Programs

http://www.ahs.org/gardening-programs/internship-programs

American Museum of Natural History On their website, click on "Learn & Teach" tab

(New York, NY) then "Post -Secondary"

http://www.amnh.org

American Society of Plant Biologists (ASPB) Click "Careers"; then search

http://www.aspb.org "Openings"

Aspen Center for Environmental Studies On their website, see "WORK"

(Aspen, CO)

http://www.aspennature.org

Audubon Center of the North Woods Click "College Programs" then "Naturalist Internships at

(Sandstone, MN) ACNW"

http://www.audubon-center.org

....

Avila University of Natural History Review their website for details

Of a West Indian Herpetofauna

Of a West illulati Herpetoraulia

(Kansas City, MO)

http://www.avila.edu/bobpowell/7powreu.htm

Baltimore Aquarium Click "Learn" then "Student Programs" then see

(Baltimore, MD) "College Internships"

http://www.aqua.org

Boston University
(Boston, MA)
http://www.bu.edu.urop/surf-program

See "SURF" Program for under-represented and minority students

California Academy of Sciences (San Francisco, CA)
http://www.calacademy.org

On their website, see "Get Involved" tab, then drop down menu "Youth Programs" then "Interns" on right

California Institute of Technology (Pasadena, CA) http://www.caltech.edu

On their website, search "Research" then scroll to: "MURF" and "SURF" for programs details

Cary Institute of EcoSystem Studies (Milbrook, NY)
http://www.caryinstitute.org

Private, not profit organization; on their website search "REU"; take 8-12 students each Summer; stipend paid; check for 2014 application information when posted on their site

Center for the Integrative Study of Animal Behavior (Bloomington, IN) http://www.indiana.edu/~animal/reu/ On their website, see "REU" Program for details

Chicago Botanic Garden
Conservation and Land Mgmnt Program
(Glencoe, IL)
http://www.chicagobotanic.org

On their website, go to "At the Garden" then see drop down menu – click "Employment" then click "Internships"

Cleveland Museum of Natural History Adopt-A-Student Program (Cleveland, OH) http://www.cmnh.org On their website, see "About Us" tab on left then drop down menu to "Careers", then see contact information for Human Resources

Cold Regions Research and Engineering Laboratory/US Army Corps of Engineers (Hanover, NH) On their website, see "Business and Professional Opportunities" then Careers, then "Internships"

http://www.crrel.usace.army.mil/

Cornell University and Boyce Thompson Institute Click "Careers"; go to drop down menu For Plant Research, Plant Genome Research Program "Internships at BTI"

(Ithaca, NY)

http://www.bti.cornell.edu

Earth Institute, Columbia University
Center for Envir. Sustainability
(New York, NY)
http://www.cerc.columbia.edu

Once on their website, go to "Education and Training" scroll in text for "Summer Ecosystem Experiences for undergraduates" (SEE-U); can earn up to 6 credits

Emory University Summer Undergraduate Experience/Center for Science Education (Atlanta, GA) http://www.cse.emory.edu

On their website, see "SURE" program on left (Undergraduates); check for 2014 application details

Fordham University
The Louis Calder Center
Biological Station Calder Summer Undergraduate
Research Program
(Armonk, NY)

http://www.fordham.edu/academics/Office_of_Research/Research_Centers__In/The_Louis_Calder_Cen/

On their website, see "Research Opportunities for Undergraduates"; check for 2014 details

Harvard University
Harvard Forest
(Petersham, MA)
http://www.harvardforest.fas.harvard.edu

On their website see "Summer Research Program"

Hawk Mountain Sanctuary
Summer Field Experience Internships in
Conservation
(Kempton, PA)
http://www.hawkmountain.org

On their website, search "Conservation Interns"

Highstead Arboretum Woodland Internships at Highstead (Redding, CT)

On their website, click "Get Involved" tab; then on drop down menu click "Internships"

http://www.highsteadarboretum.org

Hope College Summer Hope Academic Research Program Biology Department (Holland, MI) http://www.sharp.hope.edu See their website for 2014 details

Humboldt State University Research Experiences for Undergraduates (Arcata, CA) See their website for 2014 details

http://www.humboldt.edu/sustainability/internships

Huyck Preserve and Biological Research Station (Rennsselaerville, NY)

http://www.huyckpreserve.org

Not for profit organization; on their website search "Research Station" then scroll to "Odum Internships"; residential housing; click for 2014 application details

Illinois Environmental Protection Agency Governor's Environmental Corps Summer Internship Program (Springfield, IL) http://www.epa.state/il.us See "Internships" on left

IMAGO Earth Center Environmental Education Internships (Cincinnati, OH)

http://www.imagoearth.org

On their website, click "Get Involved"; then "Jobs", then "Environmental Education Intern"

Iowa State University
Reiman Gardens
(Ames, IA)
http://www.reimangardens.iastate.edu

On their website, click "Employment Opportunities"; Internship program listed at top

James Madison University, Bridgewater
College and Eastern Mennonite University
Shenandoah Valley Partnership
(Harrisonburg, VA)
http://www.jmu.edu/biology/summer.shtml

On their website see REU 2014

J. Craig Venter Institute Internship Program (Rockville, MD)

On their website, go to "Education" at top section of screen, then to drop down menu

http://www.jcvi.org

option "Internship Program"

Kansas State University Konza Prairie Biological Station (Manhattan KS)

On their website, see "Education and Outreach" then scroll to "NSF Research Experiences for Undergraduates Program"; check for 2014

http://www.kpbs.konza.ksu.edu

application details

Los Alamos National Laboratory

See their website for 2014 details

(Los Alamos, CA)

http://www.lanl.gov/education/undergrad/internships

Maryland-National Capital Park & Planning Commission On their website see "Employment" Internships

under "About M-NCPPC"

(Prince Georges and Montgomery Counties, MD)

http://www.mncppc.org

Miami University Research Experience for Undergraduates On their website, go to "Undergraduates" In Ecology and Environmental Science Department of Zoology

drop down box to "Internships"

(Oxford, OH)

http://www.zoology.muohio.edu

Michigan State University

Undergraduate Research in Plant Science Program

Department of Plant Biology

(East Lansing, MI)

http://www.plantbiology.msu.edu

Contact: Diane Ebert-May, Director

Undergraduate Studies 1-517-432-7171

Michigan Technological University

Research Experiences for Undergraduates Program

On Ecosystems in Transition

School of Forest Resources and Environmental Science

(Houghton, MI)

http://www.mtu.edu/forest

On their website, go to

"Ecosystem Science Center" under

Quick Links

Mount Desert Island Biological Lab

(Salisbury Cove, ME)

http://www.mdibl.org

On their website, click on "Education", then see Undergraduate Students; see "Summer Research Fellowships"; 8-10 weeks; applications accepted late

Fall; deadline late January

Mystic Aquarium (Mystic, CT) http://www.mysticaquarium.org Click "Aquatic Research" then "Education Opportunities" then "College Internships"

List of 2014 opportunities will be posted

on internships.washcoll.edu early in 2014

National Air and Space Administration (NASA) On their website, see "Undergraduates" (various locations)

http://www.science.nasa.gov/

National Oceanic and Atmospheric Administration

(various locations across the U.S.)

http://noaa.org Or

see list of opportunities at www.internships.washcoll.edu

National Wildlife Federation Internship **Program**

(Reston, VA)

http://www.nwf.org

On their home page, at bottom of page click on "Jobs" then on left of screen scroll to

"Internships"

North Carolina State University Biotechnology Program and Department of Plan Biology,

(Durham, NC)

http://www.ncsu.edu; then review Plant Bio page

Synthetic Biology

Northern Arizona University Research Experience for Undergraduates in **Behavioral and Conservation Sciences Department of Biological Sciences** (Flagstaff, AZ)

http://www.nau.edu/cefns/student-resources/career-dev/internships

Northwestern University and the Chicago Botanic Garden (Chicago, IL)

http://www.plantbiology.northwestern.edu

http://www.cbgreu.org

On the Northwestern website, see "Undergraduate" then "Research Opps"; this is jointly operated program with Botanic Garden, so information on their site as well

6

Check for 2014 application details

On their website, search for "CALS Career

Services Office" link for internships list on left

Ohio State
Stone Laboratory
(Put-in- Bay, OH) (Lake Erie)
http://www.stonelab.osu.edu

On their website, see "Research for Undergraduates" (REU); check for 2013 deadlines

Organization for Tropical Studies
North American Students Research
Undergraduates Program
(Durham, NC)
http://www.ots.ac.cr

Once on website, see "Costa Rica Summer Tropical Biology" Program as well as African Programs

Organization of Biological Field Stations http://www.obfs.org

Provides lists of international and US based field stations and internship opportunties

Pennsylvania Department of Environmental Protection Summer Internships (Harrisburg, PA) http://www.depweb.state.pa.us On their website, click on "About Us" page, see left margin menu and click on "Employment"

Pennsylvania State University (University Park, PA) Penn State Astrobiology Research Center http://www.mdspacegrant.org Unique program sponsored by NASA, titled NASA Astrobiology Institute Internship; internship occurs at Penn State; 8-10 weeks, check website for funding and application details

Pepperdine University
Natural Science Division
(Malibu, CA)
http://www.pepperdine.edu/naturalsciences

Internships open to rising Sophomores, Juniors, and Seniors in Plant Biology; see "Undergraduate Research Program" (SURB)

Pittsburgh Zoo and PPG Aquarium Internship Programs (Pittsburgh, PA) http://www.pittsburghzoo.org On website, see "Zoo Careers", then click on "Internships" tab at top of page

Plymouth State University
Summer Research Experience at Hubbard Brook
Experimental Forest
(Thornton, NH)
http://www.plymouth.edu

Check site, internship dependent on 2013 funding

Point Ryes Bird Observatory (Petaluma, CA) http://www.prbo.org

Click "Employment" then "Internship Opportunities" see Palomavin Field Station (Marin County, CA)

Princeton University Summer Undergraduate Research Experience In Molecular Biophysics (Princeton, NJ) http://www.Princeton.edu/reumolbiophysics

Check eligibility criteria and application details for 2014 when posted

Queens Botanical Garden Summer Internships

Click "About QBG" then "Employment" scroll to "Internships" for 2014 details when posted

(Flushing, NY)

http://www.queensbotanical.org/about/employment

Rocky Mountain Biological Laboratory (Crested Butte, CO) http://www.rmbl.org

Click "Students" then see "Research and Instruction for Undergraduates and Beyond" for 2014 details when posted

Rutgers University Pinelands Field Station Student Internships Program (New Lisbon, NJ)

Click "Research" then "Internships" for 2014 details and whether funding will be available

http://www.marine.rutgers.edu/pinelands/internships

Sam Houston State University Research Experiences for Undergraduates in Experimental or contact the Department of Biological Field Biology (Houston, TX)

See "REU" description page; stipend paid Sciences at 1-936-294-1540

http://www.shsu.edu/reu/Pages/REUdescription.html

San Jose State University Research by Undergraduates See their website, search for "RUMBA" Using Molecular Biology Applications **Department of Biological Sciences** (San Jose, CA) http://www.biology.sjsu.edu

Program"; program takes 8 students or contact directly: Julio Soto PI for RUMBA at jsoto3@email.sjsu.edu or Click "Employment" then "Jobs and Internships"

Santa Fe Institute Research Experiences for Undergraduates (Santa Fe, NM) http://www.santafe.edu/education/

On left screen see "Internships and Mentorships"

Savannah River Ecology Laboratory Research Experience For Undergraduates Affiliated with the University of Georgia

(Aiken, SC)

http://www.srel.edu

Smithsonian Environmental Research Center

(Edgewater, MD)

http://www.serc.si.edu

Click "Fellowships and Internships " stipend paid, no academic credit

Contact at: 1-803-725-2472

granted

Of Natural History Internship Programs

(Washington DC)

http://www.mnh.si.edu/

Smithsonian Institution, National Museum Click "Get Involved" then "Volunteering Opportunities" then in blue box Click "Looking for An internship/" check for 2014 details when

posted

Smithsonian Zoological Park

Affiliated with American Museum of

Natural History (Washington DC)

http://www.nationalzoo.si.edu

On web page scroll to "Volunteer and Intern Positions" several options: "Research Season" or "Naturalist Season"

Southwestern Research Station

(Portal, AZ)

http://www.research.amnh.org/swrs

On their website see Internships/Volunteers 2 options: "Research Season" or "Naturalist

See their website for 2014 details when posted

Season"
