**Consent for Treatment/Hospital Release Permission to email**

The undersigned herewith:

- A.** Grants permission to Washington College Health, Counseling, and Sports Medicine Services to provide medical care including administration of treatments and medications as necessary. This includes emergency room visits, lab work, x-rays, etc., which may need to be done at local facilities including University of Maryland Shore Regional Health facilities, local imaging and lab locations.
- B.** Authorizes the Student Health Services, Disabilities Services and/or Sports Medicine Services to exchange and release information to each other that may impact on my athletic participation. Understands that this information includes but is not limited to this pre-season questionnaire/screening and Washington College Health Services health evaluation, immunization record, consent for treatment and questionnaire.
- C.** Understands that I must refrain from athletics participation while ill or injured, whether receiving medical treatment or not, and during medical treatment until discharged from treatment or given permission by the College Nurse Practitioner or College Physician to restart participation while continuing treatment.
- E.** Acknowledge that the Washington College Health Service acts as your primary health care provider while you are attending Washington College as a student. Authorize the Washington College Health Service and University of Maryland Shore Regional Health Centers to exchange and release to each other medical and insurance information about you for treatment and to ensure follow-up care and grants permission for Health services to email appointment reminders via unencrypted messages. This form will remain valid until you graduate from Washington college or cease to be enrolled at the college, whichever is earlier.
- F.** Certifies that the answers to the questions on this Health Record are correct and true.

\*Parent/Guardian must co-sign if student is under age 18.
