

Middle House

Middle Hall, the Arts Housing, is a selective learning community made up of Art/Art History, Drama and Music majors, although there are also frequently first year students and English majors in residence. Middle Hall aims to enhance the experiences of students in the Arts by involving them in special programming, collaborative opportunities with faculty and unique learning opportunities. These three components are conducted with a combined effort between academics, student affairs, and the Middle Hall House Council.

Fast Facts:
