

APPENDIX C
K-12 SCHOOL ACKNOWLEDGMENT STATEMENT

Environmental Systems Research Institute, Inc. (Esri), and State of Maryland Department of Education ("State") have entered into an Education Site License Agreement ("Agreement"), identified as Agreement No. 2010MSL1008, for licensing of certain Esri Software, Data, Web Services, and Documentation. State has authorized K-12 School to access and use Software, Data, Web Services, and Documentation. K-12 School's use of the Software, Data, Web Services, and Documentation is subject to Esri's General License Terms and Conditions, E200, and Exhibit 1, Scope of Use, E300 (collectively "the License Agreement") and the below additional requirement.

Accordingly, _____ ("K-12 School"), as a Licensee, represents it has received and read the License Agreement, and understands and agrees to be bound by the terms of the License Agreement and the below additional requirements for use of any Software, Data, Web Services, and Documentation provided by State to Licensee. Licensee agrees that Esri may pursue remedies against Licensee for material breach of the License Agreement or the below additional requirement.

Additional Requirements:

1. Licensee agrees to use Software, Data, Web Services, and Documentation solely for instructional and research purposes. The Software, Data, Web Services and Documentation may also be used for administrative activities such as such as facilities management, routing, and campus safety EXCEPT for ArcPad Software, and the Data that comes with ArcLogistics Software, which may only be used for instructional purposes.
2. Licensee shall not use Software, Data, Web Services, and Documentation for any commercial or profit-generating activities.
3. Teaching and research staff of Licensee, coterminous with the Agreement and with each individual's tenure at the K-12 School, may install and use a copy of the Software, Data, Web Services, and Documentation on the individual's personal computer only for academic-related purposes.
