## 4 REVIEW YOUR VISION PLAN

### ADVANTICA IS THE VISION CARRIER FOR 2019.

The vision plan offers coverage both in-network and out-of-network. It is to your advantage to utilize a network provider in order to achieve the greatest cost savings. If you go out-of-network, your benefit is based on a reimbursement schedule.

Also, if you are considering Lasik surgery, there is a discount available with some providers. To find a participating provider, go to [www.advanticabenefits.com/Members](http://www.advanticabenefits.com/Members).
