

# INTERNATIONAL STUDIES

## Alumni Career Survey

**Do we have your latest information?**

**Please answer the following 6 questions in an email or attach as a PDF to [aoros2@washcoll.edu](mailto:aoros2@washcoll.edu)  
Thank you for your participation!**

1. What industry/field do you presently work in? (such as business, non-profit, govt, etc)
2. What is your job title and employer name?
3. Do you consider your work related to International Studies?
4. Do you or did you attend graduate school? If so, which school, subject, and degree?
5. We are interested in connecting current students to our alumni for career mentoring/advice. Are you interested in engaging/being in contact with current Washington College International Studies students via email or phone?  
(I would ask your permission in each case before connecting you to a current student by email.)
6. Would you be interested in coming “back to WAC” to share your experiences at a future “Careers in International Studies” event, or perhaps speaking at a career networking event in Washington DC?
