

Washington College

Academic Program Update Form

Instructions: Undergraduate students may use this form to declare or modify their degree program at Washington College. Students may declare up to two majors and three minors. Pre-professional programs and micro-credentials do not count towards this limit. Fill out this form and have the appropriate department chairs/program directors sign for approval, then return the form to the Registrar's Office. Please note that signatures are only required if students are declaring new programs.
